Y10A203-B1

Rocstor Premium USB-C to Dual HDMI Multi Monitor Adapter - 4K 60Hz - USB Type- C® 2-Port Multi Monitor MST Hub Adapter- for PC/Windows - Resolutions up to 3840x2160 @ 60Hz - For Notebook/Desktop PC - USB-C to 2x HDMI Splitter - DP 1.2/HBR2/MST Hub - Thunderbolt® 3/4 port compatible - WINDOWS - 1 Pack - Black

USB-C to Dual HDMI® Adapter Splitter- 4K/60Hz - Black, This Rocstor Premium Adapter allows you to add two 4K HDMI™ monitors to your HP, Lenovo & Dell™ Precision, Dell™ XPS, Notebook, Chromebook® or any other PC Windows PC through a single USB-C or a Thunderbolt™ 3/4 port. Rocstor's innovative Dual HDMI 4K adapter supports mirror images and extended images. That means you can display the same content on two monitors or different contents on two monitors, both at 4K resolutions. This adapter supports Mac computers with the same picture under SST mode.

With this Rocstor Dual HDMI adapter, you can work more effectively and efficiently from your laptop as you can simply connect your laptop directly to two monitors with HDMI connection. Each display allows you to receive a clear and crisp image up to 4K ultra-high definition @ 60Hz. The Multi-Stream Transport (MST) Hub allows you to connect two HDMI monitors to your host computer's USB-C port, also making it a perfect choice for delivering professional quality presentations at workstations. With this USB-C port, you do not need any additional power adapters, and the MST features are fully compatible with computer models such as HP, Lenovo, Dell Precision™ and Dell XPS™ laptops.

Rocstor delivers the highest quality adapters and functionality. The Rocstor Dual HDMI adapter does not require any drivers or additional power source. It is built for PC computers running Windows 7, 8, 10, or 11 operating systems. Simply connect your adapter to your host computer's USB-C or Thunderbolt™ 3 port and enjoy resolutions of up to 3840x2160 @60Hz on two HDMI connected Displays. Each monitor is able to display a clear 2K or 4K image at 60Hz. This multi-monitor MST hub adapter is backed by Rocstor's 2-year warranty and lifetime phone support.
