

SolidRack 1U Rack Mount Brush Panel Rack Cable Management

PN: Y10E010-B1

UPC: 810606037863

The Premium 1U Rack Mount Brush Panel from Rocstor is a 1U cable pass-through panel with a brush strip. Inside server cabinets and rack enclosures, the brush strip prevents unwelcome airflow. This product increases cooling effectiveness and separates the cold and hot aisles. The SolidRack 1U Brush Panel is made from heavy-duty cold-rolled steel, and on top of that, it is finished with a durable black powder coated finish, which will coordinate perfectly with other SolidRack products.

Features:

- Durable black powder coated finish
- Constructed using heavy-duty cold-rolled steel
- 1U cable pass-through panel including a premium brush strip
- Throughout server cabinets and rack enclosures, the brush strip effectively prevents unwanted airflow.
- increases cooling effectiveness and separates hot aisle from cold aisle

Specification:

Cooling

Cooling Type Passive
